When you see this window, you've finished your installation!!!

Finish

Please be aware, PCs with GPU and without GPU are different.

Please practice before your interview!!!

🥘 post_install_info - Notepad

File Edit Format View Help Meeting Mentor - Installation Complete

Performance Information:

This application uses speech recognition which works best with GPU acceleration.

- With NVIDIA GPU: Transcription will be fast and responsive

- Without NVIDIA GPU: Transcription will still work but may be slower

For best performance:

- Ensure your NVIDIA drivers are up to date
- Close other GPU-intensive applications while using Meeting Mentor

Thank you for installing Meeting Mentor!
